May 22, 1961

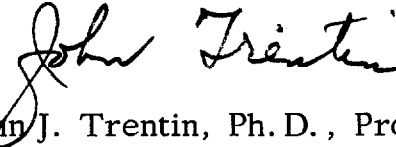

Dr. Joshua Lederberg
Department of Genetics
Stanford University Medical Center
Palo Alto, California

Dear Dr. Lederberg:

It was a privilege and a pleasure to visit your department last week, to meet with you and your many fine associates, both formally and socially, and to discuss matters of mutual interest.

I wish to express my sincere gratitude to you and Mrs. Lederberg for your kindness and hospitality on that occasion.

Sincerely yours,

John J. Trentin, Ph. D., Professor of
Experimental Biology and Anatomy
Head, Division of Experimental Biology
